

The TJC Pow Wow

VOL. XX NO. 7 TYLER JUNIOR COLLEGE, TYLER, TEXAS, DECEMBER 12, 1956 8 PAGES

THE STARDUSTERS ALL-COLLEGE dance performers Saturday, feature jazz, rock and roll, jitterbug, and soft and gentle music. Left to right are Mike Smith, Roland Crawford, Larry Ballard, Jimmy McGuyer, and Ronnie Porter.

Christmas Dance To Be Given Saturday Night

The To Kalon sorority will hold its annual all-college Christmas dance, Saturday night, Dec. 15, in the college library.

In a setting of blue and silver decorations, students will dance to the music of the star dusters, the JCC combo, a sophomore To Kalon member will be crowned sweetheart by Student Council President Jack Pollard. The sweetheart will be chosen from among the sophomore members of the sorority in a secret election. Their selection will remain a secret until the dance.

Invitations will be extended to all high schools in the TJC district requesting the representation of a senior boy and girl at the dance. These students will make up the court of the sorority sweetheart.

Among high schools represented the last few years have been Brownsboro, Chapel Hill, Gilmer, Grand Saline, Hawkins, Leveretts Chapel, Troup, Tyler Van Whitehouse and Canton.

Silver pine cones and needles centered around blue candles on a covering of blue and silver crepe paper will be placed as centerpieces on tables around the library. Refreshments will be served from these tables.

A large silver tree decorated

with blue lights and ornaments will highlight library decorations.

Students will be admitted by presenting their activity cards. Hours are from 8 to 12.

President Frances Allen, in charge of dance arrangements, has appointed Ardeth Baker, Tyler, as chairman of the refreshment committee. All members will help decorate the library.

The combo is composed of Roland Crawford of Tyler who plays the drums and guitar; Jimmy McGuire also of Tyler on the saxophone; Ron Porter of Jacksonville who plays the piano and trombone, Mike Smith of Tyler who plays the clarinet, and Larry Ballard on the bass fiddle.

Correction

Pollard's last letter to the Student body contained this misprint concerning Scalp Kilgore Week. It read: "The mistakes were the fault of inadequate planning, of nine student leaders, and students who said, 'No, I can't help'."

It should have read, "The mistakes were the fault of inadequate planning of mine and student leaders and of students who said, 'No, I can't help'."

Dickey, Sharrock Make All-Conference JC 11

First team all-conference honors in quarterback and center went to Billy Ray Dickey and Jerry Sharrock, placing Coach Floyd Wagstaff's Apaches second to co-champion Kilgore and Victoria. Eleven Apaches were listed on first, second, and honorable mention.

All-star selections were made by coaches in the Longhorn Conference on a point basis and announced Saturday by president of the conference Dr. E. M. Potter.

The Kilgore Rangers and Victoria Pirates landed three men each on the first string. Halfback Charles Lyles, end Billy Hines, and Delbert Walker, guard, were named from Kilgore. Victoria landed halfback Floyd Dellinger, end Billy Hagen, and tackle William Janca.

Three of the four second team backs were from Tyler: Bubba McLean, Bobby Joe Wilson, and Ed Roberson. Terry Vaughan, tackle, was named to the second team position also.

Honorable mention from Tyler were halfback Otis Hargett; end Dean Fikes, tackles Rodney Parr and J. E. Sutton, and Jackie Cannon, guard.

No player received a unanimous vote. Receiving most votes were

Dickey, Dellinger, Lyles, Thomas Davidek of Del Mar, Bobby Sliva of Wharton and Jack Farrar of Del Mar.

Coaches were not permitted to vote for a man on their own See **DICKEY, SHARROCK**, Page 6

Jenkins Appointed To 'Ike' Committee

President H. E. Jenkins accepted an appointment today to become a member of President Eisenhower's Committee on Education Beyond the High School.

The committee will develop recommendations for action in education beyond the high school level through a series of regional and state conferences throughout the nation.

Dr. Jenkins will be a member of the steering committee to plan the Southern Regional Conference on Education Beyond the High School.

Specifically the Southern Regional Conference will work toward increasing public awareness and understanding of educational problems, make recommendations for specific state, regional, and See **JENKINS**, Page 8

Dickey Will Play In 1st JC Classic

Quarterback Billy Ray Dickey represents Tyler Junior College in the first All-America East-West JC football game Friday night in Jackson, Miss.

Dickey made third team on the Wigwam Wisemen All-America choice. Three other Longhorn conference men who placed were tackle Jack Farrar of Del Mar and back Floyd Dellinger of Victoria on the second team and end Bill Hines of Kilgore on the third team.

Mose Simms, chairman of the Wisemen's football committee, coordinated the balloting. Simms was organizer of the All-America High School East-West classic played in Memphis, Tenn., for the past seven years. He and two Jackson newspapers, the Clarion-Ledger and the Daily News, are co-sponsoring the JC classic.

Texas placed two men on the team, tackle Bernard Otto from Arlington State and end Norman Roberts from San Angelo, but both San Angelo and Arlington are in the Pioneer conference and that conference plays three year men.

One hundred and thirty-three active junior college coaches nominated 503 players for positions on the Wigwam Wiseman squad. Simms said. Their ballots reflected on-the-field observations, scouting reports and analyses of actual game movies.

Dickey left for Jackson by plane Sunday.

'White Christmas' Gifts To Highlight Assembly

Students will place their "White Christmas" gifts under the big tree on the W. A. Wise Auditorium stage during the Christmas assembly next Tuesday morning. The gifts are for the 90 aged men and women at Sunset Home.

Dale Stonecipher will be in charge of the special assembly with his Concert Choir singing several carols. Following the choir performance, Suzan Potter will read a Christmas poem and Barbara Wilkerson will give a Christmas story.

The choir will sing "Jingle Bells," "Carol of the Bells," "I Wander As I Wonder," "Two Kings," and "Amahl Chorus."

Other numbers will be "Sweet Little Jesus Boy" solo by Jim McGuyer and "Meditation," violin solo by Ann Rylands.

The audience, led by Stonecipher, will join in singing Christmas carols at the end of the program.

Ann Tunnell, in charge of "White Christmas" plans and student assembly chairman, and Council President Jack Pollard will deliver the Christmas packages to Sunset Home.

Ann distributed the 90 names to organizations and individual students last Friday. She emphasized that all names were to be

chosen voluntarily and no member of an organization was obligated. Organizations asking for names included the Apache Band, Belles, Sigma Sigma, AKK, and the TJC Pow Wow staff.

Ann said student response was so generous that "there weren't enough names to go around."

Last Issue

This is the last issue of the TJC Pow Wow this semester.

Due to holidays, dead week, exams, and spring registration, the paper will not be published in January. Your next issue will be off the press Feb. 13, approximately two weeks after second semester classes begin.

The present staff wishes each of you a Merry Christmas and a Happy New Year.

TV Star Will Select Beauties

An undisclosed TV and recording star has accepted the invitation to judge the 32 candidates in this year's Apache Beauty Contest. His name will be kept secret until results of the contest are revealed sometime in February.

Pictures of beauty candidates must be submitted to the Apache Staff by Dec. 18. Mrs. Averilla Greenhaw, sponsor, said it "is absolutely necessary to send the pictures to the judge before the Christmas holidays."

Three of last year's beauties have been selected to enter the contest again this year. They are Ann Tunnell, Pow Wow staff; June McClain, Sophomore Class; and Jean Rayford, Apache Beauty Committee. June was Miss Tyler of 1955.

Ruth Ann Helverin, Apache Staff, was runner-up for Queen of the 1956 Anderson county fair. Pat Perry, Beauty Committee; Martha Ingram, Phi Theta Kappa; Barbara Korkmas, Apache Belles; and Karen Wilson, Cheerleaders; were candidates last year.

Other candidates and the organizations they represent are Carolyn Sullivan, Atta Kula Kula; Dimple Locker, Kappa Sigma Lambda; Sue Martin, Sigma Sigma; Zella Dozier, Tribesmen; Cherry Jo McKinney, Student Council; Naomi Langley, Choir; Barbara Anderson, Band; Sue Davi, Baptist Student Union; Rosemary Gorner, Library Assistant; Karl Olsen, Newman Club; Ramona Taylor, To Kalon; Nadine Lumpkin, Texas Eastern School of Nursing; Carolyn Parker, Freshman Class; Howard King, Future Teachers; and Mickey McEivers, Engineer's Club.

Those representing the Beauty Committee are Barbara Culbreth, Laura Sipe, Rosalie Zimmerman, Carolyn Clements, Ann Russell, LaJoyce Clendon, Josette Neil, Sarah Scott, and Mary Lillian Stewart.

DEAR SANTA—Could Larry Ballard and Ann Tunnell ask for anything more? Two of the 100 Belle-Band unit, they already have a three-day trip to New Orleans. The TJC group will be the only guest performers for the 86,000 Sugar Bowl fans and a national TV audience on New Year's Day.

Petrology, Paleontology Offered Next Semester

Two new courses of special interest to geology majors will be offered this spring in the field of science: Petrology and Paleontology.

Petrology is a three-hour course in the study and classification of important rock types.

Paleontology, also a three-hour course, is the study of invertebrate fossils. Taxonomy, the classification of fossils, is also a fundamental part of the course. Historical geology is a prerequisite to Paleontology, and Mineralogy is a prerequisite to Petrology, therefore, only sophomores are eligible to enroll in the two new

courses.

"Each of these courses is fundamental and basic to further study of the science of geology, and any senior college requires mastery of these materials before offering a degree in geology.

"Students planning to major in geology should be aware of this opportunity to secure 17 hours of geology courses," said Francis Haley, geology instructor and also instructor for the two new courses.

Haley received his BA degree from the University of Maine in 1952. He was then employed by the State of Maine as a soils geologist. After a period of two years in this position, he returned to school at Florida State University where he was offered a teaching assistantship while studying for his advanced degree. He received his MS degree in geology from this institution in August, 1956, and came immediately to join the TJC faculty.

Student Directorates Due About Dec. 17

Three students and the Reverend John Rentfro, MSM director, attended the Texas Methodist Student Movement Conference at Southwestern University, Georgetown, during the Thanksgiving holidays. Accompanying Mr. Rentfro were Sylvia Coalson, Nancy Boring, and Jack Pollard, all of Tyler.

Around 300 college students from 22 Methodist Student Movements throughout the state attended. The MSM includes all Methodists affiliated organizations associated with the college rather than the local church.

Purpose of the annual conference was to stimulate the spiritual growth of college students of all denominations.

This purpose was accomplished through varieties of activities, group singing, worship, business sessions, dramas, speeches, discussion groups, and recreation with emphasis upon worship and discussion.

The conference theme was "Is it nothing to You?" Stimulating thought on this theme were four addresses by Dr. Paul Thomas of Nashville, and four of Edward Hobbs, Perkins Theology School, SMU.

Dr. Thomas' theme was Christian Concerns in social context, while Mr. Hobbs discussed the revelation of God through the "No's" of life.

An outstanding feature of the conference was the presentation of a one act play Eugene O'Neil's "Long Days Journey Into Night," was presented by University of Texas Wesley Players.

23 Courses Added To Spring Schedule

Twenty-three additional courses not offered on the fall schedule, will be available for spring term.

The courses are:

Agriculture: Fundamentals of Crop Production — classification and distribution of farm crops; importance of good varieties and good seed; crop improvement; preparation of the seed bed, commercial fertilizers, manures and lime; seeding practices; crop tillage; harvesting; meadow and pasture management; weeds; crop rotation; diseases and insect enemies.

Wild Life management — designed to acquaint the student with wildlife resources of the United States with special reference to Texas.

Art: Creative Design — basic course in fundamentals of color and drawing in design. Perspective is emphasized.

Bible: Life and Teachings of Paul — study of the life of Jesus and His teachings as applied to present life. New Testament Survey — study of all the books of the New Testament as to author, message, and relation to the entire Bible.

Biology: Animal Biology — study of organ systems of vertebrates with special reference to man, followed by an introduction to embryology and basic principles of heredity. **General Botany of Seed Plants** — study of the seed plant as a living unit; external and internal structures in relation to life processes; reproduction and life history.

Applied Laboratory Technology

—theory and practice in the science on a professional basis.

Economics: Economic Problems — study of contemporary economic issues and problems.

Education: Introduction to Education — brief survey of the general fields of education brought out through a study of evolution of present-day public school and its practices. **Methods and Management in the Elementary School** — deals with methods of teaching in the elementary grades.

Engineering: Descriptive Geometry — principles of descriptive geometry and their applications to problems of engineering and architecture. **Engineering Problems** — operation of the slide rule and its use in the solution of problems involving the principles of mechanics. Newton's law of work, energy, motion and power.

Applied Mechanics Statics — analysis of force on structures and machines.

English: Creative Writing — Substitute for English 123.

Foreign Language: Composition and Reading of French — reading and writing of French.

Geology: Petrology — principles of optical mineralogy, identification of materials in fragments and thin sections by use of the petrographic microscope; thin section study of igneous rocks, and their classification. **Paleontology** — morphology, classification, and geologic range of the principal invertebrate groups.

Government: National and State Governments — the nature, organization and general principles of local government in the United States, with special attention to these forms in Texas.

Home economics: Elementary Garment Construction — the study of clothing from the standpoint of selection and construction of garments. **Nutrition** — the elements of diet and nutrition.

Physical Education: Theory of Basketball and Baseball — a study of fundamentals of basketball and baseball.

Physics: Engineering Physics for Freshmen Engineers — a course in mechanics and heat.

Drama: Introduction to acting, elementary theory and practice of acting.

Creative Writing Taught Next Term

A special course in freshman English will be offered in the spring for second-semester students. The course, English 123A, will substitute in credit hours for regular 123 English and is offered especially for those interested in writing.

According to Mrs. Blanche Prejean, instructor, the course will cover basic principles and practices of creative writing in fiction and non-fiction, but will in no way resemble the journalism course in newspaper writing. The class will follow the schedule of regular English classes, three lecture hours a week with no labs.

Also, Mrs. Prejean said since the course is a substitute for regular second-semester English, "students will be required to write the same kind of research paper required in English 123."

The regular freshman text, Harry Shaw's Complete Course in Freshman English will supplement the new text, Creative Writing by George W. Williams.

The class will be limited to those students with a minimum grade of "B" in freshman English or journalism majors with a minimum English grade of "C."

Those interested in enrolling should talk with their present English instructor, Head of the English Department, Miss Elizabeth Bryarly, Dean E. M. Potter, or Mrs. Prejean.

Peace Pipe Committee Will Meet Tomorrow

Anyone having a complaint pertaining to the college is asked to be at the Science Lecture Hall tomorrow at 10:16 when the Peace Pipe Committee holds their second meeting of the semester.

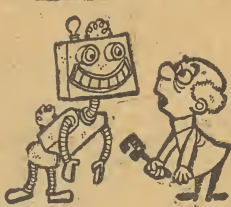

The committee gives students a chance to say what they really think and possibly get action taken on their ideas.

No one presented complaints to the committee during their initial meeting, therefore, no action has been taken as yet.

This is the first such committee to be organized at TJC. Its purpose is to link the student body with the Student Council. All complaints brought before the Peace Pipe Committee will be relayed to the Student Council for whatever action they see fit.

Leo Rudd Will Hear World Leaders At Nashville Meet

The Reverend Leo S. Rudd and possibly one or two students will attend the Southern Baptist Student World Missions Congress at Nashville, Tennessee Dec. 27-30 to launch a year of world mission emphasis among college students.

The purpose of the meeting is fourfold: Launching a year of world missions emphasis; confronting national and international issues; discovering our personal and corporate responsibility; and returning to share our vision and commitment with campus and church.

A total of 2500 people are expected from the 24 southern states invited to attend the Congress. Texas, with 300, will have the largest total quota of any state.

Every college campus will be eligible to participate in the con-

vention. Delegates from colleges will be selected by each local BSU.

Spiritually-minded campus student leaders majoring in medicine, business, law, engineering, education, and all other lay professions, along with volunteers for church-related vocations and missions are asked to attend the Congress.

BSU directors, local church youth directors, pastors, associate pastors, educational directors, other church leaders of college young people, faculty members and administrators are also urged to attend.

The Congress will offer 17 prominent Baptist speakers to the delegates during the four-day Congress.

Some of these special speakers include Dr. Theodore F. Adams, President of the Baptist World Alliance; Dr. J. P. Allen, Pastor, First Baptist Church of Charlottesville, Virginia; Governor Frank Clements of Tennessee; and Dr. Billy Graham, world evangelist.

The Congress is being sponsored by the Student Department, Baptist Sunday School Board of Nashville, Tennessee.

Each delegate will supply registration information and fee of \$3.00 to the state secretary through the local BSU. Transportation and hotel reservations will be planned with the help of the local BSU.

Students Attend MSM Conference

The student directories are due around Dec. 17, next Monday, and can be purchased from To Kalon members or at a table booth in the main hall.

Only 300 copies are being printed this year and Sarah Scott of Tyler, in charge of compilation and sales of the directories, said it would be a "first come—first served" process.

Twenty-five cents will buy the name, address, and telephone number of every student enrolled in TJC. The price is especially low for student directories. Ordinarily, high school or college directories sell from 35 cents to \$1.

Sponsoring of student directories is a service of the To Kalons to the student body. The To Kalons also sponsored the student directories last year.

Complete data on every student, administrator, instructor, and employees of TJC will be included in the directories.

ACP Feature Service—Adam was the first electronic engineer, mainly because he furnished spare parts for the world's first loud speaker.

ACP—God made the world, then rested.

God made man, then rested.

God made women, then no one rested.

'Engineers' Future Bright, R. C. Rankin Tells Club

"Engineers have a bright future with the railways," according to R. C. Rankin who spoke at the Engineer's Club meeting last week.

Rankin, design engineer for the St. Louis and Southwestern Railway told the future engineers some of the conditions they may expect to encounter as engineers. "Present demand for engineers

exceeds the supply," he told the group.

Students were given a personal insight into a civil engineer's problems by specific examples of situations.

Club members were each presented with a memorandum book as a gift from the railroad after the speech "which was well received" by the members.

Scandinavians Give Symbol Of Love, Luck To Mistletoe

By ANNETTE AUSTIN

Mistletoe is as much a part of Christmas as Santa Claus, stockings, or whiskers and secrets.

Although ignored for the first eleven months of the year, mistletoe becomes a favorite in December as Christmas rolls around.

Aside from recognizing the plant as symbolic of love, peace, and luck, few people know why or how it became such a symbol.

The Scandinavians tell us how.

As their tale goes, there was once a god much like the Greek god Apollo. This Scandinavian was a popular fellow and all the people worshiped him. However, an evil spirit became jealous and gravely wounded him with a poison mistletoe dart.

For three days and three nights his mother wept. He recovered (miraculously). So great was her joy that she decreed never again would mistletoe be used as an instrument of harm. Gratefully, she vowed that all who passed beneath the sacred boughs would receive a kiss. It is said that the white berries are her tears.

For all their clever use of mistletoe, the modern generation can be grateful to the Scandinavians, who gave the plant its meaning of love.

College Students Favor Restrictions

Minneapolis (ACP) — College students are "little bothered by various restrictions made by administrators," a poll conducted by Associated Collegiate Press. The poll is not completely accurate, however, since the governing rules vary with individual colleges. Students may be happy at one institution and dissatisfied at another.

Asked the question "Do you feel your college administration is too restrictive in governing your private life while you attend college," students answers were:

Yes18%
No78%
Undecided4%

Various reasons were given, but most felt "rules are necessary for large groups." A Wesleyan University junior summed up the general opinion of those in favor of restrictions:

"While a college may not be too restrictive on actually governing, it has a somewhat restrictive influence on behavior, which is generally good."

16-Member Poster Committee Selected

A student council poster committee, under the chairmanship of George Weir, has been appointed by Jack Pollard, council president.

Function of the 16-member committee will be to make posters for the student council or for projects related to the council.

All students are from Mrs. Myra Potter's art class and include Shirley Lewis, Diane Devine, Karli Olsen, Delora Henegar, Beverly Bentley, Dudley Caswell, Myra Richey.

Mary Morris, Dot Hicks, Charla Chapple, Barbara Anderson, Doris Gipson, Dale Robins, Pat Perry, and Lanell Rowell.

Students attending the Methodist State Convention at Georgetown were enthusiastic in their approval of the conference.

'Keeping Christmas' — Peter Marshall

An attempt to write a Christmas editorial repeatedly brings to mind an excerpt from the book "A Man Called Peter," by Mrs. Peter Marshall.

Peter Marshall, former chaplain of the U. S. Senate, put into words the feelings of many people today when he said:

"The old message of Christmas 'For unto you is born this day in the city of David a Saviour, which is Christ the Lord' can neither be changed nor quite forgotten, although there are many things that tend to make us forget. The idea of Santa Claus coming in a helicopter does not ring true.

"No interior decorator with a fondness for yellow or blue could ever persuade me to forsake the Christmas colors of red and green.

"There is no need to search for stories new and different. There is only one after all—and no modern author can improve it:

And there were in the same country shepherds abiding in the field, keeping watch over their flocks by night. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

And the angel said unto them, 'Fear not: for behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord.'

"We all feel the pressure of approaching Christmas. The traffic is terrible. You can't find a parking space . . . The stores are crowded . . . You are thinking about presents—wondering what in the world you can get so-and-so. You think of your friends and

loved ones who are so hard to shop for. You can't think of anything they need (which is rather strange when you take time to consider it). Maybe there is nothing in a store that they need. But what about some token of love—what about love itself—and friendship—and understanding—and consideration—and a helping hand—and a smile—and a prayer?

"You can't buy these things in any store, and these are the very things people need. We all need them . . . Blessed will they be who receive them this Christmas or at any time.

"The promise that the angels sang is the most wonderful music the world has ever heard:

On earth peace, good will toward men.

"It was not a pronouncement upon the state of the world. It is a promise—God's promise—of what one day shall come to pass.

"We long for the abiding love among men of good will which the season brings—believing in this ancient miracle of Christmas with its softening, sweetening influence to tug at our heart strings once again. We want to hold on to the old customs and traditions because they strengthen our family ties, bind us to our friends, make us one with all mankind for whom the Child was born, and bring us back again to the God Who gave His only begotten Son, 'that whosoever believeth in Him should not perish, but have eternal life.'

"So we will not 'spend' Christmas . . . nor 'observe' Christmas. We will 'keep' Christmas—keep it as it is . . . in all the loveliness of its ancient traditions. May we keep it in our hearts, that we may be kept in its hope."—A.A.

You And The Highway

The holiday season has all the attributes of a perfect plot for a tragedy. The mammoth production has a cast of 75,-500,000 Amercian drivers on the highways. The principals are drivers between the ages of 15 and 24 and pedestrians of any age.

The scene opens with freezing rain and snow, creating a hazard to visibility. A student in a hurry to get home drives with the carefree attitude that all is bright at Christmas-time. In another car is the alcoholic celebrator, also believing everything must be merry at Christmas. On the side of the road walks a pedestrian, humming "Silent Night" softly to himself.

Must the tragedy unfold?

Only one person can answer that question—You.

You hold the answer to the question because in all probability you will be there.

Eliminate murder and suicide on streets and highways by use of sound judgment, alertness, courtesy. Combine them with the obeying of safe driving laws and the tragedy on the highway will not unfold.

An impressive report will soon be released—the listing of fatal vehicle accidents occurring in 1956.

So far this year, total fatalities are 5 per cent lower than last year, but the greatest influencing factor—the holiday death toll—is yet to come.

Whether this year will be distinct in having fewer or more accidents than previous ones will be decided in the next two weeks by drivers and pedestrians using those concrete and macadam surfaces which last year claimed the lives of 38,300 Americans and injured 1,350,000 at a cost of \$4,500,000,000.

You can make the highway a scene of tragedy and become a figure in a column of statistics—or you can destroy the perfect plot on the highway this Christmas—W. W.

A Pause For Inspiration

By The Reverend Leo Rudd
Director of Baptist Bible Chair

"And this shall be a sign, ye shall find the child wrapped in swaddling clothes, lying in a manger."

John 8:56 "Your father Abraham rejoiced to see My day, and he saw it, and was glad."

"Mercy and truth shall meet together; Righteousness and Peace shall kiss one another, Truth shall bud out of the Earth, and Righteousness shall look down from Heaven."

"Glory be to God on high, and peace upon earth, and toward men good-will."

Heaven and Earth, Angels and Men, Promise and Prophecy, Prophet, and People, Rich and Poor, looked for the Child of Christmas Day in His humble crib. There was a note of expectancy in the air as all the world awaited a baby. He comes quietly and the word spreads afar. Then is to be heard the sacred song "Joy to the World, the Lord is come. Let earth receive her King."

Here enthroned is Peace personified. Here is Truth, and Mercy, and Righteousness, and Hope, and Salvation. Here is the one sufficient, satisfying Saviour. Here is the Sovereign Lord. Here alone is the one entitled to the throne of human heart and the scepter over life.

Here is our reason for bowing low in thanksgiving, and singing joyously in the season. Here is a message for everyone everywhere. Here is a message of good tidings and greatest joy.

"Unto you is born a Saviour which is Christ the Lord." Let all the people receive it and rejoice together in wonderful harmony.

Letters

To Our Readers:

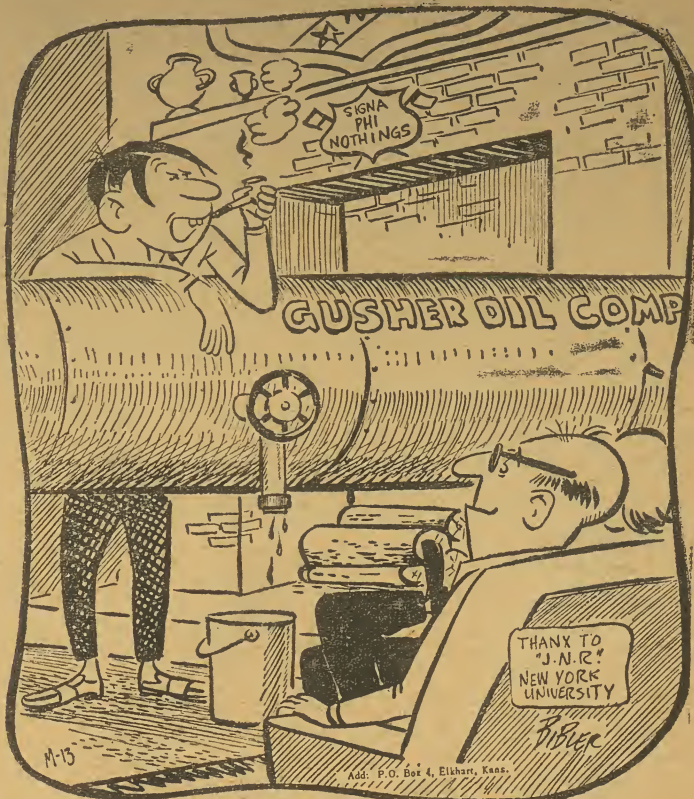

We, the staff members, wish to express our thanks to those students who so quickly responded to our request for two copies of the Oct. 17 issue. We were especially grateful to the Lion's Tale exchange editor, Carolyn McWilliams, at Tyler High School for that extra copy.

Lindsey Hughey
Editor of the TJC Pow Wow

In ancient Athens young men were given citizenship and the right to vote at the age of 19. But, once they cast their first ballots they were inducted into the army for 10 years service.

LITTLE MAN ON CAMPUS

by Dick Bibler

"YES, TH' OLE FRAT IS GETTING BACK ON ITS' FEET SINCE 'TEX' PLEDGED."

Smoke Signals

By MARQUELL LEDFORD

David Luncford, Baylor University tackle and ex-Apache, was one of the first exes to call and congratulate the Apache Belles on their trip to the Sugar Bowl. Luncford said he was thrilled when he walked into the Bear dressing room after the Rice game and learned that Baylor had been chosen to play in the Sugar Bowl.

He was even more thrilled, he told Director of the Belles, Mrs. Mildred Stringer, when he heard the Belles and Band were to be halftime performers for Sugar Bowl fans. David's wife, the former Nancy Duckett, was an Apache Belle.

Student council members have discussed ways of conducting a successful drive to aid the World University Service Fund. Details will be announced later.

They also discovered ways to aid the faculty and administration in making Career Day, Feb. 22, more successful.

President of the TJC Board of Trustees Watson Wise, civil leader and philanthropist, was elected president of the Texas Rose Festival Association for 1957 at the association's annual meeting.

—Letters To Santa—

Dear Santa,

Please bring Sybil, Billy Ray; she has been a good gal. Bring June to Curtis; he has been a good boy. Bring Mary Lillian, Billy; she has been a very nice girl. Fill Pat's stocking full of Phil.

Name Withheld by Request

Editor's Note: Sorry girls, but teachers can write their own letters to Santa.

Dear Santa,

Please send me a little blonde headed girl as cute as Ronnie's, but make her 4 feet 6 inches in height so I will be taller than she.

Try to give me some good looks like Ralph Smith so I will have more girls and be less popular with other boys.

Please send me some freckle remover so people will quit calling me Van Johnson.

Your loving Redhead
Ray Langston
Troup Flash

P. S. Send some elevated shoes and a suit with padded shoulders.

Pollard's Letter To The Student Body

Pig Skin review was a most entertaining show. The Apache Belles and Band should be commended for the fine performance in earning part of their fare to the New Orleans Sugar Bowl. Here's wishing you lots of fun. We'll be watching you on TV.

Many students complained to me about the calling off of our last assembly. I'm sorry it was canceled and hope that fewer complications will arise with planning of future assemblies.

Basketball season is here and TJC has a very talented team. Let's get behind the boys and support them strongly, regardless of how far they go.

Attendance at our games needs to improve. Last year, we were embarrassed by Lon Morris' having a more enthusiastic cheering section than ours in Gentry Gymnasium.

It is impossible for every student to attend each game, but I hope we can concentrate our attendance at the following games:

Tuesday-Thursday, Dec. 18-20, Longhorn Conference Tournament, Gentry Gym.

Tuesday, Jan. 8, Lon Morris, Gentry Gym.

Friday, Jan. 18, Kilgore, Gentry Gym.

Wednesday, Jan. 30, Lon Morris, Jacksonville.

Friday, Feb. 1, Del Mar, Gentry Gym.

Ann Tunnell is making thorough plans for our White Christmas program. I want to urge each person to participate enthusiastically.

Giving gifts to aged people is only a small thing to do for a generation which has given so much to us.

The TJC Pow Wow

The TJC Pow Wow, official newspaper of Tyler Junior College, is published every other Wednesday, except during holidays and examinations, by the journalism classes.

The views presented are those of the staff and do not necessarily reflect administrative policies of the college. Signed articles are the views of the writer, not necessarily of the Pow Wow staff.

Letters to the editor must be signed, though initials will be used at the writer's request.

Local Theaters Feature John Payne, Tab Hunter

Featured at local theatres this week are:

Civil War Picture At Liberty Theater

A sensitive, dramatic story set in the Old West after the Civil War, "Rebel In Town," opens today at the Liberty Theatre.

With an excellent starring cast made up of John Payne, Ruth Roman, J. Carrol Naish, Ben Cooper and John Smith, the picture tells how the bitterness which followed the aftermath of the Civil War nearly wrecked the lives of people living in a small western town.

Payne gives a fine performance as a man who hides his hatred for the "Reds" behind a contemptuous silence. His wife, played by Ruth Roman, is a woman who justifiably claims the seething hatred can only lead to tragedy.

Young Ben Cooper is one of the four sons of J. Carrol Naish, returned from the Confederate Army, and seeking their revenge where they can. It is Cooper's crime that opens the reign of terror in the peaceful town.

Others in the cast include Ben Johnson, James Griffith, Mary Adams, Bobby Clark and Mimi Gibson.

'Girl He Left Behind' Teams Hunter, Wood

Warner Brothers teams for the

second time Tab Hunter and Natalie Wood in Marion (See Here, Private Hargrave) "The Girl He Left Behind," opening Sunday, Dec. 6, at the Tyler Theatre.

The film deals with Uncle Sam's peacetime Army and its trainees who learn their "soldiering" under the "treat 'em polite" policy and the romantic problems of one draftee and the girl he left behind.

Hunter appears as Andy Sheaffer, a college student whose two main goals are to marry Susan Daniels (Natalie Wood) and to keep from being drafted by the Army.

Supporting the stars are Jesse Royce, Landis, Jim Backus, Henry Jones, and Murray Hamilton, as well as officers and men of the regular training companies at Fort Ord, Monterey, California.

SigmaSigmaPlans Christmas Party Friday Morning

A Christmas party will be given for Sigma Sigma members Friday, Dec. 14. Members will meet in Room 108 at the 1:48 period.

Guest performer, Mrs. Mildred Cates, will give the Christmas reading: "The Littlest Angel." From there, members will go to the Foods Lab for refreshments.

Sigma Sigma members are students taking shorthand. At present there are approximately 75. Officers are Erna Dean Babb, president; Barbara Korkkmas, vice-president; Annette McKinney, secretary; Laura Sipe, treasurer; Peggy Thomson, reporter; and Rose Mary Garner, publicity chairman. Officers are elected for one semester only to offer an opportunity for more members to serve as leaders.

Sponsors are Mrs. Frances Flaherty, Mrs. Louise Clinkscales, and Mrs. Johnny Abbey.

Mrs. Flaherty said Sigma Sigma members planned to visit the GE plant and one of the banks before the end of the semester. They have toured Humble Oil Company and McMurrey Refinery this semester.

To Kalon Sorority Elects Additional 1956-57 Officers

Rosemary Garner from Palestine and Ramona Taylor, Henderson, are among the four newly elected officers of To Kalon sorority.

Sandra Carroll and Annette Austin, both from Tyler, have been chosen scrapbook keeper and reporter.

These officers were chosen from new members formally initiated at a candlelight service Thursday night, Dec. 6. The services followed an initiation supper at El Charro's Cafe.

President Frances Ann Allen and treasurer Linda Minshew were chosen at the end of the 1955-56 school year.

These offices will be filled next year by members chosen in an election at the end of the spring semester.

Mrs. Averille Greenhaw, home economics instructor, is the sorority advisor.

Wilkerson-Kent Engagement Announced

Mr. and Mrs. T. O. Wilkerson of Flint announce the engagement and approaching marriage of their daughter, Barbara, to Dan Kent, son of Mr. and Mrs. T. S. Kent of Grapeland.

The ceremony will be read June 7 in the First Baptist Church of Flint.

Barbara, a sophomore English major, is a member of Atta Kula

For The Christmas Shopper

LINDSEY HUGHEY

I've recently browsed through several stores and chatted with managers and clerks about suggestions for your last minute Christmas shopping.

And I have never seen such pretty and useful gifts found at Ray Masters, Mayer & Schmidt, Record Shop, Story-Wright, Neil-Simpson Drugs, Pool Printing, New York Store, Texas Educational Aids, Anthony's, Glenwood Florist and Coats-McCain. These firms have really gone all out this year to make your Christmas bigger and better.

For that special young man: There's a beautiful 100 per cent nylon fleece, reversible jacket at Ray Masters Men's Shop to protect him when he hasn't got "My Love To Keep Me Warm." This jacket, which has a zipper front and slash pockets, comes in a variety of colors and sells between \$16.95 and \$19.95.

Everybody likes music and McDonald's Record Shop on the mezzanine at Mayer & Schmidt has records to please them all. They have a complete line of jazz and rock and roll. In their hi-fi room, they have hi-fidelity components to fit any hi-fi set. You buy the best in records at McDonald's. "Everything from Rock and Roll to Rock and Listen."

Story-Wright's has darling, inexpensive trinkets that will make the right gifts. Letter boxes and decorated waste baskets to match, in a variety of colors, sell for only \$1.50 and \$2.50. Book lamps that clamp on the page you're reading can be had for \$1.98. These, too, range in varied colors. Theme holders are handy to have if you are trying to study and eat breakfast at the same time. They sell for \$1.00, displayed in metal.

For that favorite girl: Visit one of the five Neil-Simpson Drugs and select a sparkling, jeweled gift, jeweled compact, cigarette boxes, lipsticks, cigarette lighters, and others. Prices range from \$1.95 to \$7.95.

Here is just the Christmas gift to give the camera bug! Texas Educational Aids are displaying Kodak Miniature Cameras which make for perfect gifts for professional and amateur photographers alike. The Kodak Pony Camera can be purchased as low as \$33.75. The camera has automatic film stop, exposure counter, fast f/3.5 Kodak Anaston Lens, lumenized (coated) for sharp detail and color purity, plus flash synchronized shutter with four accurate speeds to 1/300 second for action shots and "B" for long exposures.

Or make this holiday season a very festive one by having plenty of refreshing, stimulating Cokes in the refrigerator when friends drop in to renew old times! No matter how busy you are decorating the tree, wrapping packages, or just talking to friends, don't forget to take time out and give yourself a gift—enjoy a Coke!

If you should receive a portrait or picture, take it to Coats-McCain Lumber Company for expert framing in a beautiful molding of your choice that will give the picture distinction and quality.

Grapeland High School and Baylor University where he majored in history. He will enter Southwestern Baptist Theological Seminary in January.

After their marriage they will live in Ft. Worth.

TJC Will Host Annual Longhorn Basketball Meet

When the Annual Longhorn Conference Basketball Tournament opens at Gentry Gym next week fans will have a rare opportunity to see and compare the strength of the conference teams during the three-day meet.

Teams participating will be Tyler, Kilgore, Wharton, Victoria, Del Mar, and non conference

teams Texarkana, Henderson County, and Panola.

Kilgore's Rangers are defending tournament champions, having won the title at Wharton last year. They went on to win the National Junior College Championship.

First round pairings for the tournament beginning next Tuesday include: Victoria vs. Texark-

ana, 3:30 p.m. Wharton vs. Panola 5:15 p.m. Kilgore vs. Del Mar 7:00 p.m. Tyler vs. Henderson County 8:45 p.m.

The Apaches squad of four sophomores and eight freshmen, have improved rapidly against strong opposition.

Through their first seven games TJC has a 5-2 won-loss record. They opened their season with a 80-76 conquest of Panola county. They followed this victory by blasting Henderson County 91-46 in their first home appearance.

Other wins include a 93-78 victory over Texarkana, a 63-50 triumph over Henderson County again, and a convincing 90-73 win over South Texas of Houston.

The Apaches have suffered only two losses through their first seven games. They were defeated in Dallas by the strong SMU Freshman 86-74 and lost a thriller to Paris 77-76.

Pacing the individual scoring for the Apaches are Kelly Chapman, sophomore forward-center from Owensboro, Kentucky, and Johnny Johnston, freshman center from Jacksonville with 154 and 136 points respectively.

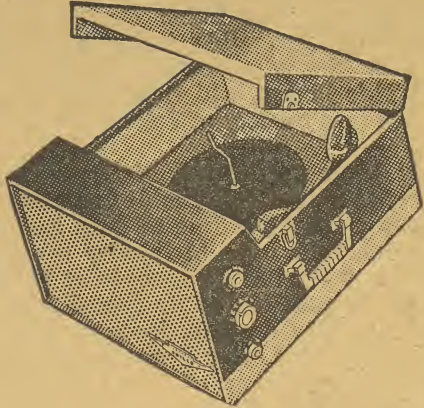

These figures do not include the games of the current Apache road trip through Mississippi and Florida this week. The four game tour will end Saturday night at Pensacola, Fla.

Intramural Basketball Will Organize Teams

Intramural basketball looks even brighter than football, co-sponsor Billy Hall reported after about 40 boys appeared at the first meeting. Teams are now in the process of being organized.

Practice games will be played before Christmas at activity periods at 10:16 every Tuesday, Wednesday, Thursday and Friday. The first league game is scheduled Jan. 6, of next year. Hall said "There was a possibility that some games would be played at night."

If anyone is interested in creating a team, he should organize his boys, and hand the list with the name of the team, stating whether they can play at night to James Barnes, TJC faculty representative of the YMCA, or co-sponsors Billy and Mac Hall.

team. Each coach nominated a first and second choice in quarterback and center, with first place two points and second one point. End, tackles, and guards were listed top, second, third, and fourth, with points running four, three, two, and one. Six backs were nominated and counted in the same way. Coaches were not permitted to vote for a man on their own team.

Conference All-Stars First Team

Quarterback: Billy Ray Dickey, Tyler.

Backs: Floyd Dellinger, Victoria; Charles Lyles, Kilgore; Thomas Davidek, Del Mar.

Center: Jerry Sharrock, Tyler.

Guards: Bobby Sliva, Wharton; Delbert Walker, Kilgore.

Tackles: Jack Farrar, Del Mar; William Janca, Victoria.

Ends: Billy Hines, Kilgore; Billy Hagen, Victoria.

Second Team

Quarterback: Jerry Thompkins, Del Mar.

Backs: Franklin 'Bubba' McLean, Tyler; Bobby Joe Wilson, Tyler; Ed Roberson, Tyler.

Center: Wilbert Zimmerman, Victoria; Fred Killina, Del Mar (tie).

Guards: Tommy Patterson, Del Mar; Ezra Gordon, Victoria.

Tackles: Terry Vaughan, Tyler; James Dawson, Wharton.

Ends: Richard Griffin, Del Mar; Bassett Nix, Victoria.

Honorable Mention

Quarterback: Don Dexell, Del Mar.

Backs: Jim Pickett, Wharton; James Sestak, Victoria; Jackie Robertson, Wharton; Sonny Hatton, Kilgore; Ottis Hargett, Tyler.

Ends: Dean Fikes, Tyler; Billy Novak, Wharton; Jim Burroughs, Del Mar; Calvin Scott, Del Mar.

Tackles: Pat Murphy, Wharton; Nader Bood, Kilgore; Sidney Ingram, Kilgore; Quinton Cook, Del Mar; Rodney Parr, Tyler; Billy Reed, Kilgore.

Guards: Bobby Parker, Kilgore; J. E. Sutton, Tyler; Bob Cannage, Del Mar; Jackie Cannon, Tyler.

Center: Charles Gonzales, Wharton.

The young man who just received his college degrees rushed out and said: "Here I am world; I have an AB!"

And the world replied: "Sit down, son, and I'll teach you the rest of the alphabet."

Football Squad Joins City Basketball League

JIMMY ACKER

Idle until spring training, the football squad has formed a basketball team and entered the City Commercial League. Some of the top stars are Tom McClellan, Bill Bob Pruitt, Jimmy Philpot, Mac Hall, and Bubba McLean.

The team is to be coached by Frank Martin with special tutoring by Coach Floyd Wagstaff.

The first Junior College all-state football team for 1956 was published by the Dallas Morning News last week. The Apaches placed one man on the second team, Billy Ray Dickey, and two received honorable mention, J. E. Sutton and Dean Fikes.

By the time this paper is in your hands, Coach Babe Hallmark, the basketball team and I, will be on our way through Mississippi and Florida. We left early yesterday morning and will return Sunday.

Two ex-Apaches who received honors in senior colleges this fall are Dean Slayton and Dwayne Gandy, both attending Tulsa University. Slayton was chosen on the first all-conference team while Gandy received honorable mention.

Kelley Chapman, once "the pride of Kentucky" and the only regular back from last year on the Apache basketball team, lost a front tooth in the Texarkana game several days ago.

Chapman's only comment was "And I had such a good set of teeth."

Well, this is my last column in the TJC Pow Wow. I've had the pleasure of being a part of one of the finest schools in the land. Enough nice things could be said about old TJC to fill the whole paper, but I can sum them all up by wishing TJC were a four-year college.

Basketball Results

Date	Team—Place	Score
Nov. 27	Panola, Carthage	80-76
Nov. 28	Henderson County, Tyler	91-46
Dec. 1	Texarkana, Texarkana	93-78
Dec. 3	SMU FROSH, Dallas	74-86
Dec. 6	Paris, Tyler	96-77
Dec. 7	Henderson County, Athens	63-50
Dec. 8	South Texas (Houston), Tyler	90-73

FORWARD JOHN TOOLE, late comer to the basketball squad, has already broken into the starting line up with his team play and valuable rebounding.

John Continues 'Toole Legend'

By Terry Vaughan

One of Coach Babe Hallmark's promising freshmen and a familiar face to most Tyler sports fans is John Toole, 6'3" forward. Toole turned in an outstanding record in football and is already considered one of the top five players at Gentry Gym.

Reports on Toole are that he is a good 'team man' as well as a hustler and rebounder.

He came to Apacheland from Troup this year where he was a three-year letterman in basketball. He was considered the big reason for Troup's going to the State Tournament. Later he was named to the all-state team.

He was also captain of the football team and was considered a fair track man.

TJC was one of the several colleges to offer Toole a scholarship. Others were McMurray, North Texas, Oklahoma City University, North Eastern State Louisiana, and North Western State Louisiana.

TJC was his choice because as he said, "I liked the boys, coaches, and school." Another big factor was his brother, Ray, who graduated from TJC last year.

Ray has been the only boy to attend TJC and letter in both basketball and football. (It looks as if John could be the second).

John plans to attend a four-year college when he leaves TJC, preferably in the Southwest Conference or the Missouri Valley Conference.

Victoria Pirates Open Year With Young Team

Coach Stump Evans' Victoria Pirates are beginning the basketball season with an inexperienced team, according to Roaln Bing, publicity director for the Pirates.

Horace Cleveland, 5' 10" guard from Dallas is the lone "outstanding" letterman, Bing said. He said two other lettermen who "perform creditably" are guards Kenny Pickett, 5' 10" from Victoria and Jack Martin, 6' also from Victoria.

The 12-man squad averages 6' 1" in height.

Russel, Rice Wedding Announced For Dec. 23

Miss Zonell Russell, of Lindale and Ib Rice, registrar, are to be married Sunday, Dec. 23 at the Lake Creek Methodist Church.

'Only Praise' For Dance Band On TV

By RANDALL NEIL

Students who saw the first two of a series of five TV musical programs scheduled by band director Eddie Fowler had nothing but the highest praise for the programs.

The Star Dusters were featured Thursday on "Look Who's Here." In addition to the music, Rolan Crawford presented his imitation of "Elvis," assisted by Jimmy McGuire and Mike Smith. Barbara McNew did a pantomime.

The talents of Crawford McGuire, and the Star Dusters are considered "wonderful" according to a little campus poll. Also Barbara McNew scored a hit with "A Good man Is Hard To Find."

The poll also showed students like Crawford better than Elvis (EP) because he has a voice as good or better and his movements

are not so vulgar they said. Other reasons were that he is better looking, is known personally, and is more easily understood.

Students had high praise for McGuire's singing. They liked his voice because of its richness, fullness, and his near perfect control.

JENKINS--

(Continued From Page 1)

federal action on these problems, and provide a basis for planning and conducting state conferences.

The first regular meeting of the conference will be held "early in the spring, and the steering committee will hold a one or two-day meeting prior to the conference," executive Director, Elvis J. Stahr Jr. said.

Future Teachers See Modern School

Reports from some of the 25 members of the local Future Teachers Association who visited the new Andy Woods Elementary School are that they are all "looking forward to the day when they might have the privilege of teaching in such a school." The Andy Woods building is one of the most modern in the state.

Each classroom is arranged so that it has two glass walls. The rooms are decorated with handwork of the students. The various classrooms are painted in assorted colors and equipped with combination lockers and bulletin boards.

A multi-purpose room contains a portable stage and seats about 150 people. The room can be used for library, music, or other activities. The cafeteria can be used for larger meetings and programs.

The first and second grade rooms open out into a corridor, facing a patio. Each room has ample space, storage, activities, work centers, and rest rooms.

Classrooms are separated from other units so noises from the halls will not disturb classes.

FRANCES ALLEN, sophomore costume designing major, puts the finishing touches to a sketch of a costume she designed for last night's production of "Amahl and the Night Visitors." Four TJC students carried principal roles in the opera. They were Mickey Trimble, page; James McGuyer, King Malchoir; David Porter, King Kasper; and David Humphrey, King Balthazar.

Shirley Attends Study Conference

Miss Jeane Shirley, English instructor, attended the first general meeting of The American Studies Association of Texas at Baylor last Saturday.

Theme of the meeting was E Pluribus Unum. The morning program was held in Constitution Hall on the Baylor campus. A luncheon and business meeting followed in the Roosevelt Hotel in downtown Waco.

Louis D. Rubin Jr., of The Richmond News Leader was principal speaker at the luncheon.

Martin Shockley of North Texas State College presided at the morning session. Lon Tinkle, SMU, spoke on Regionalism Is Not Enough, literature section; Elizabeth Wilder Weisman of the University of Texas on Reflections on Folk-Art: Artistic and Historical Aspects in anthropology; and Walter Prescott Webb of the University of Texas on The American West: A Problem in Civilization, History section.

Discussion leaders were Paul Baker of Baylor, Carl Compton of NTSC, and Everett Gillis of Texas Tech.

Miss Shirley holds a MA from Baylor University. She was recipient of the Dixon Wecter American Civilization Scholarship from Baylor and was a member of Sigma Tau Delta, National Honorary English Fraternity. She joined the TJC faculty in 1955.
